Subject —

In forwarding herewith the file of papers ending with the Devanahalli Town Municipal President's No 295/34-35 dated 12-3-1935, relating to the levy of a Vehicle tax in the Municipalit I have the honour to state that the draft bye-laws on the model approved by Government in their order No O M L 4266-73/M1 148-34-1 dated 17-12-1934 together with a notice calling for objections if any from the public are reported to have been duly published and no objections are stated to have been received in the matter from the public within the prescribed time except the one received from Chikveerappa and 5 others who are cycle shop keepers Their main objection to the levy of the proposed vehicle tax is that they are only petty shop-keepers hiring cycles at 0-2-0 per day and that much hardship will be felt by them if they should have to bear this additional taxation The petition is enclosed in the records

The Municipal Council have in their meeting held on 5-3-1935 resolved that the objections raised in the petition referr to above are untenable, and that sanction of Government may be obtained to the draft bye-laws

Due provision has been made for exemption from the payment of tax in certain cases noted in the schedule appended.

I request you to kindly obtain early sanction of Government to the levy of Vehicle tax in the Municipality and also

for the

and also for the bye-laws framed therefor

I have the honour to be,
S i r,
